## PCF Sparkletots Preschool @ Punggol Shore

We are partnered with PCF Sparkletots (PCF) @ Punggol Shore to provide a continuum of quality and affordable preschool education for children aged 2 months to 6 years.

Under this partnership, the children will attend the Early Years Centre (EYC) operated by our EYC-Partner when they are 2 months to 4 years old. Parents can choose to enrol at our MK for our Kindergarten 1 (K1) and Kindergarten 2 (K2) programme. This allows the children to have a seamless transition to K1 in the year they turn 5. Eligible children in the EYC are guaranteed a place at our MK.
